

School Website

Dear Parents, a car crashed into the walkway shelter beside DLSS Gate C on the morning of Sat, 30 Jul 2016. No one was injured. The area has been cordoned off. Please see the photo below:

Photo 1: Accident site on Sat 30 Jul 2016

Due to the cordon, pedestrians using the walkway in front of Gate C may spill on to the road and into on-coming vehicle traffic. This is undesirable for the safety of our Lasallians and staff. To manage this situation, DLSS will temporarily open our side gate (facing HDB Block 553) for Lasallians coming to school. Lasallians using the side gate will cross the school driveway into school. We will continue to use Gate C for cars and buses to drop off Lasallians along the driveway. However, we will manage vehicle traffic along the school driveway to allow pedestrians to cross the driveway (please see the map below).

Parents driving into Gate C are advised to be cautious, slow down to watch out and stop for pedestrians crossing the driveway into school. Parents are to drop off their Lasallians quickly so as to minimise delays in traffic movement.

Given this situation, some traffic queuing on the road in front of school could be expected. Hence we seek the understanding of our parents to be patient and for your cooperation for the safety of our Lasallians. The school has worked with the Town Council and HDB to ensure the structural safety of the accident site. We will update you when the repairs are done and we can revert to the usual traffic arrangements.

Safety Reminder

For their safety, Parents and Lasallians are reminded not to walk towards Yew Tee Town Centre on the walkway outside of Gate B. In this way, they would avoid walking pass the accident site cordon beside Gate C and potentially spilling onto the road. They are advised to either dismiss via the Side Gate or cross the traffic light outside school to walk towards Yew Tee Town Centre.

Operating Hours of the Side Gate

Morning Arrival : 6.45 am to 7.30 am

Afternoon Dismissal : 1.15 pm to 3.15 pm (Mon to Wed)
3.15 pm to 4 pm (Thurs & Fri)

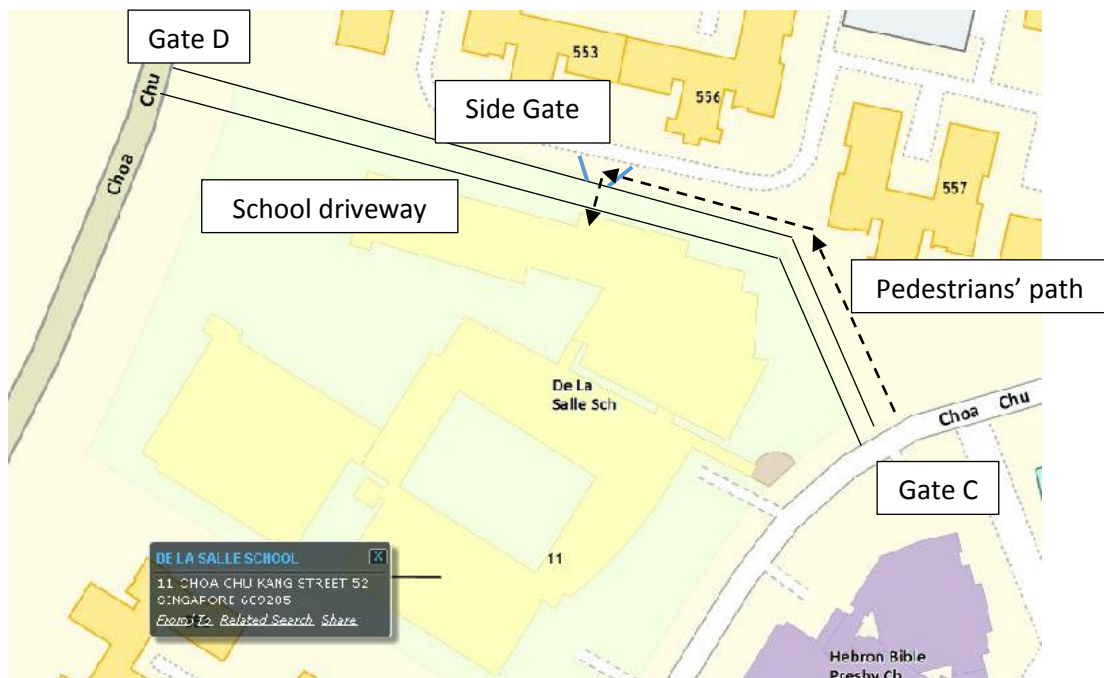

CCA Dismissal : 5 pm to 5.30 pm (Mon, Tue, Thurs & Fri)

Wet Weather Arrangements for Dismissal at the Side Gate

For dismissal at the Side Gate during wet weather, Parents are advised to wait under HDB Block 556. School will fetch our Lasallians dismissing at the Side Gate to the void deck of HDB Block 556.

Thank you

De La Salle School
