Parent Notification for October 2022

Principal's Note

Dear Parents/Guardians,

The month of October is when we celebrate Children's Day - a day to recognise the potential, talents, hopes and dreams our children have for their future. It is also a special day for them to bond and interact with their peers and teachers. Given that we have been celebrating Children's Day online for the last 2 years, this year, together with all our staff and our Parent Support Group as well as Team Nila (SportSG), we have planned a Games Carnival for our Lasallians on 6 Oct.

The Carnival will feature different play zones related to sports, art and craft as well as game booths. Lasallians will be given more than one hour to play freely with their friends and enjoy the activities planned for them. We hope that this will give them the opportunity to be self-directed and at the same bond with their friends. More details can be found in this notification.

Our P5 Lasallians have completed their P5 Outdoor Camp and we hope that they have learned about our school values of Respect, Responsibility and Resilience through outdoor learning.

As part of our 70th Anniversary Acts of Service, the P5 Lasallian Leaders had the opportunity to do community service at the Fei Yue Senior Activity Centre. They organised games for the elderly, exercised and interacted with them. You can read about their experience in the attached Annex 2.

Our P6 Lasallians are in the midst of taking the PSLE, we would like to wish them all the best. We would also like to thank parents for supporting your child in preparation for the PSLE.

Semper Fidelis,

Cheryl Choo
Principal

3. Encouraging Good Study Habits

As your child steps up his/her learning this final school term for the academic year and in preparation for the end-of-year examinations, we would like to encourage Lasallians to adopt good study habits and practices. We hope that parents will help to reinforce these habits with our Lasallians:

- Work with your child to set a study schedule that includes sufficient break and rest time
- Factor in some time for bonding and recreation
- Ensure your child gets enough sleep daily
- Regulate your child's screen time and ensure there is sufficient rest for the eyes
- Remind your child to write-down questions they would like to clarify with their teachers and bring them to ask the teachers in school
- Encourage your child to talk about their feelings and experiences when they are preparing for the examinations
