Principal's Note

Dear Parents/Guardians,

We hope that our Lasallians had a good break and welcome them back to Term 4. All too soon, we are at our final term of school and wish that our Lasallians will continue their passion for learning and service to the community. Our P6 Lasallians will be busy preparing for the PSLE and we commend them for the effort they have put in not just this year but throughout all their years of learning. As a form of encouragement, our Parent Support Group (PSG) have come together to prepare Care Packs for our P6 Lasallians. Our P2 Lasallians have also penned notes of encouragement for their P6 buddies. We would like to extend our appreciation to the PSG and P2 Lasallians for their act of kindness and love in support of our P6s.

As our P6s prepare for their graduation. Our P1 Lasallians have ignited their spark for learning about the real world. They recently embarked on their first Math Learning Journey late last term to Crest Secondary School, where the unique experience allowed them to apply their classroom learning in a real-world setting. Using the school's special facilities, which include Giant Supermarket and a Uniqlo outlet, our Lasallians engaged in real-life Mathematical problem-solving activities. They were mentored by the staff and Secondary 4 students on how to use mathematical concepts such as addition and subtraction related to financial literacy.

Mission Statement

Enabling Lasallians in a Lasallian community to learn how to learn and to learn how to live; empowering them to be the persons of integrity and persons for others.

Vision Statement

Lifelong Learners, Caring Citizens

Lasallians also learned about the sorting and arrangement of retail products. They were taught how to display items in a supermarket based on specific criteria to promote sales effectively. This hands-on experience helped them understand the importance of product placement and organisation in a retail environment. We hope they have taken the first steps in discovering and understanding the difference between needs and wants, spending within their means, and the value of prudence.

This term, there will be more of such learning activities beyond the classroom for the various levels and we hope our Lasallians will share their experiences with you.

Semper Fidelis,

Cheryl Choo
Principal
