

Dear Mrs Sing,

Hope you are having a good day today. I am writing to you because I am not able to attend the PSG meeting on Thursday.

Thank you for introducing CCA into school hours. It is a courageous move as parents could be thrown off by it, but you are doing what is good for the children. As a PV Aunty who loves the children very much, it is great that the school takes this holistic approach. Many were not attending CCAs and were missing out on learning important life skills. So yes! Am all for it.

In his time at De La Salle, Zachary has been a happy child. He will be performing at the percussion item this Friday at Prize giving ceremony and I am so thrilled that he has extended himself and accepted this novel experience. At the first rehearsal, he actually walked out because he took the instructor literally that he could want out. That afternoon, Ms Neo (the music coordinator) and Annie texted me and I had the opportunity to reframe the incident for him. It was a valuable teaching moment and I would like to commend 3 teachers - Ms Neo, Annie and Mdm Angie Tan who was at the rehearsal. Thanks to their quick feedback, Zachary is able to achieve this milestone.

On a similar note, I would like to commend Mr. Hong, Zac's Maths teacher for the last 5 months. He drilled the children so well with his numerous worksheets and clear categorisation of the maths problem sums that I was confident that Zach was ready for the exams. We did not do anything to prep and true enough, Zachary did really well for the Maths exams.

Thank you for being the fine leader you are and I am always praying for you, your team and the children at school. Also that the catholic culture will strengthen from day to day!

Blessings,
Melissa
